

- All dancers will start in SOFT SHOES. This allows us to protect the floors of our venue during warm-ups and reduces the number of shoe changes during PC/OC rounds. If the weather is nice, we recommend dancers begin their warm-up outside (ideally near your vehicles while you wait to be called inside). **Dancers will be called inside approximately 20 minutes before their scheduled dance time.** Please bear with us as we try to make the process as smooth as possible! Health screenings will be conducted before entry. Please remember to bring your masks but disposables will be available to those who forget! (we have child and adult sizes)
 - Paper bags will be provided to all dancers upon arrival (to hold their masks while they are dancing on stage).
 - Please remember to ARRIVE WITH HAIR AND MAKE-UP DONE! There will NOT be a place to do ANY hair or make-up. There is also NO change room. Please have dancers arrive in proper “under-attire” that allows them to pop their dress/vest on and be ready to dance. Or if the weather is fine, just wear your dress into the venue!
 - NO large dance bags will be allowed. A small bag to carry essentials like dance shoes, water bottles, tape, scissors etc is ALL that will be allowed. Do not bring wig boxes, Zuca bags, make-up kits etc into the building.
 - We are allowed to have a MAXIMUM of 50 audience members in the building at any given time. We will monitor this closely throughout the day. Spectators may not always be permitted. Be prepared to send your dancer in with our stage monitors just in case. We have worked VERY hard to try to accommodate as many people as possible throughout the day, but we can’t guarantee perfection. We are hoping to allow parents inside for PC/Champ awards ceremonies, but depending on our numbers, it might have to be “dancers only”. It’s not ideal, and we’ll try our very best to accommodate everyone, but COVID stinks and our hands are tied!
 - Please follow all directional signage throughout the venue.
 - Stage monitors will escort groups into the warm-up area, then to the stage area, then back outside. The stage monitors will remain with their designated groups from start to finish. Please remember to be kind and listen for directions from the stage monitors...remember we’re ALL volunteers doing the best we can!
 - All dancers competing on Stage 1 and Stage 2 will dance one at a time for all dances. Stage 3 will be a double-wide stage for Champ competitions which will run 2 dancers at a time with a divider down the middle of the stage, allowing for distancing.
 - All times are approximate. Please watch for regular updates on **Facebook** and signage at the venue throughout the day.
 - Stages will be disinfected between groups. Smaller groups will be called in together as cohorts but will dance in their respective groups as per usual.
 - **Groups who are scheduled to be on stage at 8:00 please report to the registration table by 7:30!** (ALL Beginners, C99 and C13) There will be a bit of a line-up at the start of our day and we want to get everyone processed as quickly as possible so we can start on time! **the line will be OUTSIDE so dress for the weather please, and try to do a bit of a warm up before you enter, just in case the line takes longer than expected!
